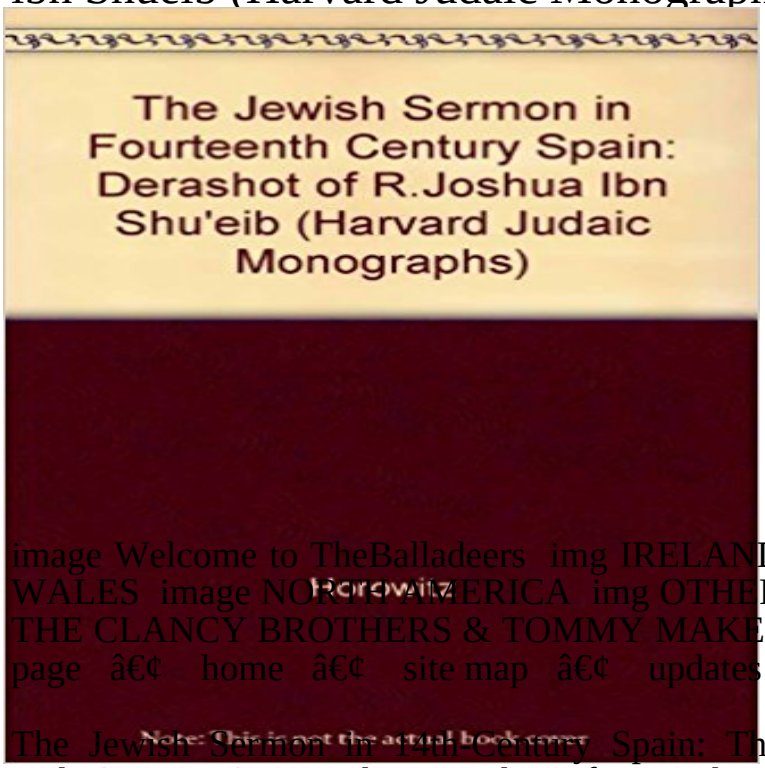
The Jewish Sermon in 14th-Century Spain: The Derashot of R. Joshua ibn Shueib (Harvard Judaic Monographs)



The focus of this study of the medieval Jewish sermon is the Derashop al Hatorah of Joshua ibn Shueib, a 14th century Spanish rabbi. Horowitz uses the sermon literature to examine the dissemination of ideas and their penetration to wider levels of the population, and to provide a picture of the Jews of 14th century Spain.
