

The Book of Unknowing: From Enlightenment to Embodiment

THE BOOK OF UNKNOWING continues the leading-edge work begun in the The Book of Undoing. That was about how-to awaken, while this one is primarily about the post-awakening experience itself—how to clear. Topics addressed include how to assess if you're awake or not, why you may need a teacher, what our experience is in post-awakening, experiments and inquiries, and dozens more. It contains 33 articles that have previously appeared on AwakeningClarityNow.com or other websites.
