This is the first installment of A Scott/Price Family Drama series; the second and third books, *Secrets Kept* and *All I Ever Wanted* is available now! Liam Scott is a successful, wealthy, and handsome business man. But he still battles with the depression the death of his mother triggered twenty years ago. That and an equally as old secret keeps his feelings for his co-worker and best friend Jayda Price at bay. Jayda Price is never afraid to work for what she wants. After a family tragedy Jayda has left Baltimore for a life in D.C. Hit by hardships, she finds herself interviewing for Scott & Helm, an event coordinating firm headed by the very handsome Liam Scott. Five years later and Jayda may be ready to pursue her heart's greatest desire. Neither of them could anticipate the trials life would throw their way. Their only saving grace may be the fact that love does indeed heal all wounds. *Healing Wounds* is a family drama with adult themes and some intimate sexual scenes.
