

Duplicity: A Reunion Novel (The Reunited Hearts Series Book 3)

From the USA Today Bestselling Author Vicki Hinze comes *The Reunited Hearts*, a romantic suspense series of standalone novels with couples in dangerous situations who reunite in atypical ways. In *Duplicity* (originally written for the general market in 1999 and rewritten as a clean read romantic suspense in 2015), Captain Tracy Keener, a widow, is on the cusp of realizing her dream as a military attorney. But then she's ordered to defend Captain Adam Burke, a special operations officer accused of abandoning his team and leaving them to die. Should she ruin her career to defend a man she is certain is guilty? Everyone knows he is guilty and defending him will cost Tracy her career, but the honchos give her no choice. Only Adam swears he was framed, he acted under direct orders. He swears things that can't possibly be true or can they? Working together reveals an attraction that won't quit and corruption at the highest levels—the sacrifice of an entire team. Impossible things! Until Tracy defies a cease-and-desist order and proves the impossible fact. Her admiration for Adam grows as does her faith in him. Their relationship shifts and bonds between them grow stronger. Yet risking her life is easier for Tracy than risking her heart. She knows loss, and fears it most. Yet the discovery that her heart already has chosen comes too late—after they're targeted for assassination. At least one of them, it seems, must pay the ultimate price to untangle this

intricate web of Duplicity. But which one? Books in the Hearts Reunited Series: Her Perfect Life, #1 Mind Reader, #2 Duplicity, #3 PRAISE for Vicki Hinze Novels:

Hinze exploded on the scene with Shades of Gray and continues her meteoric rise with Duplicity. Finding a new niche in the romance genre takes rare courage and fortitude, but like Ms. Hinzes heroines, she

displays these admirable traits with the discovery of a category one can only call military romance. Clear an entire shelf for this author's work, she doesn't disappoint, making her a sure candidate for the bestseller's list. Very Highly Recommended. BookBrowser "A fast-paced novel with plenty of twists and turns and a lot of great insight into the world of the military you will not be disappointed in this action-packed thriller." Interludes "The theme is so strong that as each piece of the puzzle is uncovered, another gap or connection is revealed, and the characters quite frequently find themselves uncertain as to which is the right path. Duplicity weaves throughout. The result is a story of suspense, cleverly drawn." Booksquare.com "Wow! A spellbinding book. A true page turner. The way [Hinze] pulls you into the action with the characters is so incredible. There are so many hurdles t
