

When Hummers Dream: A Milford-Haven Story (The Milford-Haven Stories)

Can a hummingbird dream? Artist Miranda Jones thinks so. Sensing the tiny injured bird that wings its way into her world still lives, she paints the creatures dream-garden and seems to reach into his very heart. She reached into her own heart to create a new life for herself in Milford-Haven, the small town of undiscovered beauty on California's Central Coast, where one of her dear friends is environmentalist Samantha Hugo—a brilliant PhD twenty years her senior who gave up a son years earlier. Though the e-book stands alone, it also introduces Book 1 of the Milford-Haven Novels, the critically acclaimed, popular series, a multi-generational saga. Based on Purl's BBC Radio drama Milford-Haven U.S.A.
