

## Celtic Blessings 2011 Mini Calendar (7 x 7 inch)

It is an often overlooked fact that Celtic art is iconic for two very different world views: primeval Christianity and pagan/new age. Celtic art and spirituality stand on an overlap between these two cultures and act as connecting links between them. Both cultures can learn from their differences, ultimately supporting and nourishing the spiritual aspirations of each. Michael Greens Celtic Blessings 2011 Mini Calendar is a masterful marriage of these two worlds. Based on Celtic themes and early Irish Christian illuminated manuscripts, Green reenvisioned these genres into a stunning modern look that is firmly rooted in the past. At various times in his life, Green has been a wandering monk, artist and craftsman, television art director, architect, illustrator and author. His books include *The I Ching Journals*, *The Illuminated Rumi*, *The Illuminated Prayer* and *The Unicornis Manuscripts* (978-1-60237-119-4). The interior pages of this calendar are printed on 100% recycled, 50% post-consumer paper, processed chlorine free and printed with soy based inks. A Celtic Blessings 2011 Wall Calendar (978-1-60237-370-9) is also available through Amazon!
