

## The Friessens (Books 1 - 5, Boxed Set)

This special boxed set edition includes 5 Contemporary Romance Books from a big family romance series fans have fallen in love with. The Reunion (The Friessens, #1) The Bloodline (The Friessens, #2) The Promise (The Friessens, #3) The Business Plan (The Friessens, #4) The Decision (The Friessens, #5)

**THE REUNION** The family you thought you knew. A reunion youâ€™ll never forget. A love that lasts forever.

**THE BLOODLINE** Andy Friessen has two guarantees in life: 1. His wife, Laura, and his children are safe from the control of his family. 2. A safety deposit box holds evidence that could blow his motherâ€™s world apart. But nothing is ever simple or easy, and one night tragedy strikes, yanking the rug from under him. This time, secrets and lies could destroy the solid foundation heâ€™s built for his family.

**THE PROMISE** Falling in love with Jed Friessen was a dream come true. Married to Jed, Diana has a family and is living her happily ever after. She knew heartbreak and suffering as a child, and the pain of rejection, but she now understands what it means to be loved. However, when the past comes knocking on her door, reminding her of everything sheâ€™s left behind, everything she was, and everything sheâ€™s lost, her guilt and doubt threaten the life sheâ€™s built with her husband.

**THE BUSINESS PLAN** Neil Friessen has almost everything heâ€™s ever wanted: â€¢ His wife, the woman heâ€™s always lovedâ€¢ â€¢ His children, whom he never believed he would

have an empty bank account. Until one day, that is, when he comes up with the business plan. **THE DECISION** The Friessens, stars of the bestselling series, are back with **THE DECISION**, another heartwarming fan favorite romance from New York Times and USA Today bestselling author Lorhainne Eckhart. Emily Friessen has everything a woman could want: a husband who's the love of her life, a family that stands together, and children she wouldn't trade for anything. To everyone around her, she's confident and strong—but then, she has to be with a man like Brad, who is all about family and too handsome for his own good. Emily isn't as together as she appears, though, and when life throws her and Brad a curveball, it tests their relationship, leaving Emily scrambling and feeling very much alone as both are faced with a decision no parent should have to make.
