

The Complete Guide to Pregnancy After 30

Over 750* babies are born each day in the UK-alone to women between the ages of 30 and 40+ challenging old attitudes to pregnancy and age. This helpful and truly comprehensive book will reassure women nearing 30 and older that they are neither too old nor too high-risk to have a healthy baby. The Complete Guide to Pregnancy After 30 covers the entire range of concerns about pregnancy and birth for the mature mother-to-be, from conception right through to the first months of motherhood.
