

The New World Order Pictogram Mosaics (Opening Of The Seven Seals)

C O V E R S T O R Y The figure you see on the left-side of this pictourgram is Jesus Christ, the Reich/rich East African ancient Egyptian God and Pharaoh known as Min from 4000 Before the Common Era (BCE.) He is a black male with two ram horns on his head, an erect penis (resur-erection on the third day) in his left-hand, a bullwhip with cracker in his raised right-hand and on his chest is a "Red X Shaped Cross" (Red Cross.) Now you know Jesus Christ was the great African Pharaoh and the Crackers were the Africans. In Revelations Chapter 13 Verse 11: And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spoke as a dragon. An adult male sheep is called a Ram and Jesus Christ was called the "Lamb of God" that appears in the Gospel of John. It appears at John Chapter 1 Verse 29, where John the Baptist sees Jesus and exclaims, "Behold the "Lamb of God" who takes away the sin of the world. If you look closely at the black head and face of the Reich East African ancient Egyptian God and Pharaoh Jesus Christ/Min it makes the "P" shaped Greek "Rho" or "R" letter. If you look even closer at the black head and face of the East African ancient Egyptian God and Pharaoh Jesus Christ/Min that makes the "P" shaped "Rho" letter he has a Goatee that makes the Roman "R" letter from the Greek "P" letter. On the chest of the East African ancient Egyptian Pharaoh and God Jesus Christ/Min is a

Red X shape cross which is the Greek Chi letter pronounced Kai or Kha in Cyrillic.

The X shape symbol you see in the middle and at the top of the pictogram is the Niwt hieroglyph from ancient Egypt. Chi or X is the first (capital) letter chi (X) of the Greek word XPISTOS/Christos often used to abbreviate the name Christ, as in the holiday Christmas (Xmas). When you combine the Red X shaped Chi letter on the chest of the Reich East African Egyptian Pharaoh and God Jesus Christ/Min with the P/R shaped head you have the Chi Rho symbol, one of the earliest forms of christogram. The Chi Rho symbol you see in the center of the pictogram towards the top is formed by superimposing the first two (capital) letters chi and rho (XP) of the Greek word XPISTOS/ Kristos in such a way to produce the monogram. Chi Rho invokes the authority of Jesus, as well as symbolizing his status as the Christ. When you combine the X shaped Greek Chi symbol pronounced Kai with Rho you get Kai Rho, Cairo, Egypt located in East Africa. If you look even closer at the Red X shape on the Chest of the ancient Egyptian Pharaoh and God Jesus Christ/Min when it goes underneath the decorative cloth worn around his neck it makes the ichtus fish symbol consisting of two intersecting arcs, the ends of the right side extending beyond the meeting point so as to resemble the profile of a fish. It was used by early Christians as a secret Christian symbol and now known colloquially as the sign of the fish or the Jesus fish. On the

right-side of the pictourgram towards the top is the Reich East African ancient Egyptian God Ptah, pronounced Pi-tah. If you look closely at the green head and face of the East African ancient Egyptian God P tah it makes the Egyptian hieroglyph (tp) head. The tp hieroglyph was used for the letter "P" by Semites because in their language, the word for head was res (also the name of the letter). It developed into the Greek "P" (rho) and Latin R letter. On the chest of the East African ancient Egyptian God P tah is a Red "X" shape cross which is the "Chi" letter in Greek pronounced Kai or Kha in Cyrillic.

When you combine the Red "X" shaped cross "Chi" letter on the chest of the East African Egyptian God Ptah with the head shaped hieroglyph for the "rho" letter you have the "Chi Rho" symbol, one of the earliest forms of christogram that also represented the Rhoman Military. The leader of the Rhoman Empire was Caesar (pronounced Kaiser).
