

Love Lessons (Contemporary Romance)

Love Lessons is the first book in the Love Lessons Collection. Lacey, a small town kindergarten teacher seems to have it all. She has the perfect job, terrific friends, and the love of her life helping her to plan the wedding of her dreams. However, she soon discovers that her dreamboat fiancé is actually a liar and a cheat, leaving her heart broken and destitute. Realizing that her meager teacher salary will never help her escape the avalanche of debt she now resides under, she desperately turns to a part time profession she had never considered before. Though this new job challenges her, it also gives her sense of empowerment, and awakens within her a sexual temptress she didn't even know existed—but can Lacey withstand the learning curve? This book contains exciting and naughty descriptions of romantic activity that are sure to leave you hot and breathless.
