

Homeless in Hawaii (The Golden Sky Book 2)

Running away from her past, Elisa finds herself homeless in Hawaii. The streets aren't what they seem, though, and cops make her stay in homeless park. She's only seventeen and with a man she hardly knows. They must work together if they're going to survive as street musicians. They might be in paradise, but even there, her past will hunt her down and make her face an uncertain future.
