The Business Tax Answer Book covers an encyclopedia of information - everything a business owner or advisor needs to know about tax and how to interpret and apply the tax rules. The Business Tax Answer Book is an accessible, practical, plain-language and comprehensive reference source for tax information for accountants, attorneys, business owners, and other business advisors. Whether a business is just starting up or has been in existence for years, whether it is a sole proprietorship, partnership, corporation, or limited liability company, the Answer Book provides, in simple, no-nonsense language, answers to the key questions. In addition to the more than 800 answers to the key questions regarding business income and payroll tax liabilities, the Business Tax Answer Book provides time-saving tools to help the businesses implement the tax strategies and compliance guidelines discussed in the book. These include numerous practice pointers, real-world examples and a comprehensive tax calendar.
