When Sophia comes upon the sleepy little town of Maldera Springs she finds a secret that's been safely hidden from her people for years. Sophia must decide between saving herself, listening to her heart, or protecting what's been lost and protected by the sexy, secretive, and stoic vampire brothers Tavian and Dante Baikov. *Resurrection Stone: The consequence of unspoken secrets* has left Half-Blood Princess, Sophia Daletsky feeling alone and trapped. With Dante having turned his back on her and Kara slinking around with untold intentions Sophia turns to Tavian, Sarah and Rachel as she tries to adjust to her new powers and an unsure future as Protector of Maldera Springs. Things are never easy in the vampire world, as Sophia realizes as another part of her past catches up with her in this second installment of the Half-Blood Princess series. *Shadowed Memories: In this third installment of the Half-Blood Princess Series*, Sophia's life is about to be changed forever. With Sage's life in the balance Sophia must call upon power she never knew coursed through her veins. Secrets that were once carefully hidden come to light as she fights haunting dreams, memories of Sage's past, and a dark prophecy seeming destined to come true

that will change all involved. Follow Sophia as she takes on a new path and finds what true love can really bring. Dark Soul: Life has never been so complicated yet so blessed for half vampire/ half witch, Sophia Daletsky. She and Sage struggle to understand and control Ashlyn and Andre, while they grow into untold powers at an alarming rate. Sophia, Sage, the guardians, along with Rachel, Sarah, Adelaide and the Coven of the Sun seek refuge in one of Cain's many fortresses as they recover from Zillah's attack and fight to protect one another. Follow Sage and Sophia as they try to find a balance between being new parents to prophesied twins, dealing with friends, the appearance of an old enemy, the war ahead and an unnatural distance that has formed between the two lovers.
