

50 Things to Go Further with Google Classroom

Today's technology empowers educators to move away from the traditional classroom where teachers lead and students work independently—each doing the same thing. In *50 Things to Go Further with Google Classroom: A Student-Centered Approach*, authors and educators Alice Keeler and Libbi Miller offer inspiration and resources to help you create a digitally rich, engaging, student-centered environment. They show you how to tap into the power of individualized learning that is possible with Google Classroom.
