

## Big Game (Hunted Love Book 1)

In *Big Game*, a legendary predator decides prize horses should be on his menu. Kate, the owner of the horse ranch, hires a big game hunter to track the mountain lion and remove the threat. The hunter arrives to take up the trail, but instead of the seasoned older man she expects, she meets Jakob who is young and impossibly sexy. Despite her attraction to him, Kate fears Jakob will reject her because of the after-effects of a childhood injury. A Freshly back from deployment to Afghanistan as a special forces operative, Jakob needs to clear his head of the horrors of war. When his uncle dies, Jakob steps in to hunt down a mountain lion on the other side of the state. The prospect of several days in the wilderness with only his horses and dogs for company sounds like the ideal opportunity. Except the infuriating female rancher insists on going along for the ride. A Will Kate accept Jakob's protectiveness and passion for her or turn him away? A Will Jakob do whatever it takes to find the trail through Kates defenses and get past her scars and limp to find real love? A Contains: steamy love scenes, a hot alpha male, and independent sexy heroine. A About the Hunted Love Series What happens when a hunter is blindsided by love?
