

Revelation Exposed Plain & Simple: The Rapture or the Tribulation: Is There Really a Choice

DID YOU KNOW THAT OUR GOVERNMENT ACTIVITIES ARE PERFECTLY IN LINE WITH THE EVENTS DESCRIBED IN THE BOOK OF REVELATION THAT USHER IN THE ANTICHRIST? All of bible prophecy has been fulfilled for the antichrist to come to power. However, there are 3 world events that need to be implemented in order for the antichrist to come to power and become the world leader. 1.) The nations of the world need to be ready to accept and implement a One-World Order and Government, allowing for a single world ruler. 2.) The world needs to be ready and willing to be on a One-World Currency and Banking System, which will allow the antichrist to control what the citizens of the entire world can buy and sell. 3.) Once the Holy Spirit has been removed by way of the Raptured Christians, The New One-World Government will gather the leaders of the top religions together and unite them under a One-World Religion already in existence today and growing rapidly. These three biblical and historical events are already taking place today in our own government. You can see this for yourself at www.thewitnessalliance.com Video News Page. The Rapture can happen at any moment. In this book you will learn who is responsible, what organizations to watch, and just how close we are to these events being implemented. As you walk with the author verse by verse through the pages of Revelation. You will

experience the tribulation first hand, as though you have missed the rapture and were left behind. You will deal with every catastrophic event as it happens from day to day and month to month, surviving each event only to take on another of even greater challenge. As you walk with the author through the tribulation, you will experience the joys of victory, the challenges of surviving and the destructive and evil treatment of the tribulation saints; all of this at the hands of the antichrist. Up to this point, everything has been prophecy of future events, but that future is NOW!!!! I am delighted to recommend this book written by my friend of over 20 years and brother in the ministry of our Lord to any student of the Bible. Never have I seen a book explain Revelation as though you are actually living through the Tribulation. This book gets you to thinking in ways you never thought of before. After reading this book, I fell down on my knees and prayed that God would use this scholarly work to help thousands of souls prepare for the soon coming Lord Jesus. -Pastor Glen Aycock, Southern Baptist Minister
