

Hidden Things: A happily-ever-after heartbreak love story

Kylie had her life all planned out--with marriage to Matthew and a happily-ever-after in their sleepy Wisconsin hometown. But when she opens a wedding invitation and a decades-old faded photograph falls out, she uncovers a side of her mother Kylie never suspected. As she digs into the past, Kylie uncovers a whole world of hidden surprises, including grandparents she never knew existed. Suddenly, Kylie faces a choice between two worlds...and doesn't feel she fits in either. As the past changes, so does her whole foundation of security. Will Kylie learn who she really is and where she fits in God's plan?
