Our books guide and enhance the Jewish knowledge, spirituality and identity of children and their families, and our innovative tools bring Judaism alive in synagogues, Hebrew schools, and day schools. Torah Aura Productions was founded in 1981 by a group of innovative Jewish educators who looked out at the field of Jewish education and found materials that were shallow and dull. They started a company to create new tools for families and teachers that would be exciting and meaningful. For more than two decades, Torah Aura has revolutionized the way Jewish schools enable their students to become empowered Jewish adults, and has helped families make Judaism a meaningful presence in their homes.
