

The Angel Trilogy (The Complete Collection)

His Angel: Book One A love story that is completely action packed and edge of your seat! Follow Evan and Abby's journey through the Angel Trilogy.

When Evan Young walks into Abigale Hayes's life she falls; mind, body, and soul for the man she thinks he is, having no idea that the secrets he holds in his hands will destroy the girl she is. Abby must decide how the truth will affect the relationship that has her craving more with every breath she takes and how she will take revenge into her own hands. Evan will die to protect Abby and will kill for her too. The events that unfold will change who Abigale is forever.

My Demons: Book Two Abigale Hayes has had many things ripped from her life. She's been broken and emotionally left to die in the darkness she's been living in for far too long. Love finds Abby in ways she hadn't imagined would ever be possible, but so do lies and betrayal. Abby will be put in a position to protect the one man she loves and has realized without a doubt she will love forever. Evan's love for Abby will take him to a whole new depth of darkness and dealing with those that want the love of his life for themselves will be the end of Evan and Abby. Or will it?

Our Sins: Book Three My name is Abigale Hayes. My story has been brutal thus far, but brutal is nothing I haven't felt my entire life. I love Evan Young. He's everything to me. There are monsters waiting, lurking, and ready to pounce. I seriously recommend you're careful who you choose to trust. I

wasnâ€™t. Iâ€™m Evan Young. I love her, I want to keep her safe and happy. Iâ€™m failing on both. Iâ€™ve chosen to bring her into a life filled with evil. I should let her go, but I canâ€™t, I wonâ€™t. Sheâ€™s mine and Iâ€™m hers, end of. Until oblivion it isâ€™!
