

DIRTY (The Vengeance Duet Book 1)

This is book one in the Vengeance Duet and is categorized as romantic suspense, which include darker themes. Due to circumstances and content, this book should not be read by those under the age of 18. DIRT. A seemingly innocuous five letter word until you pull back the layers of its meaning. Imprisoned in a small room within the walls of the Satans Creed Motorcycle Club compound, Casey Richards struggles to survive the only life she was raised to know. Her mother, a club whore, and her father, an unknown outlaw sheâ€™s never met, Caseyâ€™s fate is all but sealed in the eyes of the club. Foul. Unclean. Undesirable. Trapped in a loveless marriage, and with no children of her own, Emilyn Carsen is the only living soul willing to fight for her niece, Casey. Sheâ€™s all but given up on saving her until the one man sheâ€™s longed to see again unexpectedly finds his way back to town and into her life. Sordid. Vile. Unscrupulous. Max Taylor, former-biker of a disbanded MC, has been holding onto reasons to avoid coming back to the small town he grew up in. The same ghosts that drove him away eventually force Max to find his way back. Now that hes home, he may be Caseyâ€™s only chance for freedom. Filthy. Hateful. Impure. In order to get to Casey, Max must find a way to infiltrate the MC. Setting up a meet with Hoss, Satans Creedâ€™s President whoâ€™s known for his depravity as much as his double-crossing ways, itâ€™s made clear that forming an

alliance is going to be more of a challenge than he expected. Now he must prove his loyalty to the club and in doing so, he's forced to get his hands DIRTY. Although this book has been divided into two parts, book one ends with a natural break in the story before heading into book two, which publishes late September 2015.
