

Jennifer Fever Older Men Younger Women

Jennifers are the older mans antidote to midlife angst - a younger woman. The author, who was once a Jennifer herself, reveals the secrets behind Jennifer Fever using interviews with the three members of the triangle - the older man, the abandoned wife and the younger woman - psychologists, psychiatrists and marriage counsellors. The author has written Im Dancing as Fast as I Can and Defects of the Heart. She is an Emmy award-winning filmmaker and has lectured across the USA on Jennifer Fever.
