

Bettyville: A Memoir

“The idea of a cultured gay man leaving New York City to care for his aging mother in Paris, Missouri, is already funny, and George Hodgman reaps that humor with great charm. But then he plunges deep, examining the warm yet fraught relationship between mother and son with profound insight and understanding.” —Alison Bechdel, author of *Fun Home*

A NEW YORK TIMES BESTSELLER
 FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD
 When George Hodgman leaves Manhattan for his hometown of Paris, Missouri, he finds himself “an unlikely caretaker and near-lethal cook” in a head-on collision with his aging mother, Betty, a woman of wit and will. Will George lure her into assisted living? When hell freezes over. He can’t bring himself to force her from the home both treasure—the place where his father’s voice lingers, the scene of shared jokes, skirmishes, and, behind the dusty antiques, a rarely acknowledged conflict: Betty, who speaks her mind but cannot quite reveal her heart, has never really accepted the fact that her son is gay. As these two unforgettable characters try to bring their different worlds together, Hodgman reveals the challenges of Betty’s life and his own struggle for self-respect, moving readers from their small town—crumbling but still colorful—to the star-studded corridors of Vanity Fair. Evocative of *The End of Your Life Book Club* and *The Tender*

Bar, Hodgman's New York Times bestselling debut is both an indelible portrait of a family and an exquisitely told tale of a prodigal son's return. A remarkable, laugh-out-loud book ... Rarely has the subject of elder care produced such droll human comedy, or a heroine quite on the mettlesome order of Betty Baker Hodgman. For as much as the book works on several levels (as a meditation on belonging, as a story of growing up gay and the psychic cost of silence, as metaphor for recovery), it is the strong-willed Betty who shines through. The New York Times
