

Bring Out Your Dead (Dark Ones series)

From New York Times Bestselling Author Katie MacAlister comes the first Dark Ones novella. Battling a demon lord is all in a day's work for the Dark One named Sebastian. But now he must take on a horde of unhappy zombies and an obnoxious teen vampire if he wants to win the hand of the one woman who can make him whole.

Ysabelle is a woman with a past, and not a whole lot of future if a certain demon lord has his way. With zombies, demons, and a little thing like death standing in her way, will she find happiness in the man who's seen more darkness than she can imagine?

Note: this novella was published in 2006 and again in 2010 in the Just One Sip and My Zombie Valentine anthologies, respectively. Readers should be aware that this is a republishing of a previously published novella.
