

Final Exit: The Practicalities of Self-Deliverance and Assisted Suicide for the Dying, 3rd Edition

Published in 2002, the revised, 3rd edition of the bestseller Final Exit describes the ways in which a dying person may consider hastening the end of their life if suffering is unbearable. Laws and ethics are outlined in a straightforward fashion. Drug dosage tables and the latest inert gas technique of self-deliverance are explained, with illustrations. Bantam Dell published an updated version in April 2010, known as edition 3.1
