

On the Wings of Shekhinah: Rediscovering Judaism's Divine Feminine

One effect of rising interest in the Kabbalah is a renewed focus on the Shekhinah, Judaism's divine feminine principle. Written with warmth and clarity, *On the Wings of Shekhinah* interweaves historical views of this concept with thoughtful quotes and guided meditations. Rabbi Leah Novick offers healing strategies for both Jews and non-Jews disaffected by rigid gender roles. Awareness of the Shekhinah's energy within and around us helps bring hope to a planet afflicted by war, violence, and environmental abuse -- this book shows how to find and use that energy.
