After catching her boyfriend cheating with his secretary, she decides to have a girls weekend in Vegas with her best friend, Ryan. Lady Luck must be looking out for Spencer, because the hottie that has caught her eye at her new gym is on the same flight to Vegas. Spencer is old-fashioned in the sense that she feels the guy should make the first move, but this hottie hasn't approached her until they have one hot dance in Vegas that leaves her questioning his motives. Will her hottie finally speak to her, or will he continue playing a game of flirtation that may lead to nowhere? And will situations from their past keep them from taking the next step? Despite what people say, not everything stays in Vegas, especially when you work out every day at the same time and at the same gym. Finding Spencer With a crazy ex-girlfriend who won't leave him alone, Brandon Montgomery is determined to move on to the brunette hottie who caught his eye at the gym he owns. Things start out slowly with Brandon and Spencer, since neither one can find the courage to speak to one another until they both happen to be in Vegas for a weekend. It's not true. Things don't always stay in Vegas, and lucky for Brandon, the girl he wants to be with lives in his town. Now if

his crazy ex-girlfriend, Christy, would leave him alone, Brandon could move on to where he needs to be. Brandon and Spencer's story is already written. You know Spencer's side of it. Now find out what Brandon was really thinking from the moment Spencer walked into Club 24.

Wanted From the moment she first saw him running on the treadmill next to her, Spencer Marshall fell head over heels in love with Brandon Montgomery. After Spencer has a near-death experience she would rather forget, they do their best to move on with their lives, leaving their past behind them. Thankful for a fresh start and eager to move on with her life, Spencer focuses on helping her best friend, Ryan Kennedy, plan her wedding. Everything seems to be going as planned when someone from Brandon's past reappears. Can Spencer and Brandon survive the coming days as they struggle to deal with ghosts from the past?

Wanting Spencer Brandon Montgomery has found the girl that he has always wanted. He can't picture his life without Spencer Marshall in it, because she's like his rock. She's smart, funny, the most beautiful woman he has ever seen and of course, a good dancer. After his crazy ex-girlfriend tried to take Spencer from him, Brandon can't picture his life without falling asleep with Spencer each night and waking up each morning with her in his arms. However, ghosts from his past keep showing their ugly heads, and one tragic night, Spencer is taken from him. Can Brandon protect Spencer like he promised her father that he would? Can he get to Spencer before it's too late, or will his past take the

future he has always wanted? Anything Like Me After walking in on her cheating boyfriend, fate led Spencer Marshall to the love of her life, Brandon Montgomery. Now she has a wedding to plan. With hope that the demons from their pasts will finally leave them alone, Brandon and Spencer look forward to growing old together. Just as things are finally looking up, an unexpected houseguest arrives and stays much longer than expected. Will their love be strong enough to overcome the bad influences of their new roommate and the emotional aftermath of dealing with the trial? And when an unforeseen tragedy strikes, can Spencer finally have the happy ending she deserves? Forever Spencer Brandon Montgomery didn't believe in soul mates until he met Spencer. For years, he watched his best friends, Jason and Becca, have the life that he'd al
