

Valley of Shadows (Mills & Boon Love Inspired)

Working deep undercover was dangerous. Mercenary turned DEA agent Hawke Morran found out just how dangerous when his cover was suddenly blown. His life hung in the balance—until a mysterious woman saved him from certain death. Hawke was a lone wolf—used to bringing down the bad guys by himself. Without a partner. Yet now he and Miranda Shelton were running for their lives, desperate to uncover the identity of Hawke's betrayer. Journeying from the mountains of Lakeview, Virginia, to the valleys of Thailand, Hawke vowed to protect the lovely Christian woman in his care.
