

Easy Guide to Health and Safety

Do you need to get to grips with health and safety principles but don't have time to wade through reams of legislation and guidance? Do you need practical step-by-step guidance on health and safety issues for your small business? Then this is the book for you. Building on the success of the first edition, this fully revised Easy Guide to Health and Safety 2nd edition introduces the health and safety issues which the self-employed and managers, directors and staff with health and safety responsibilities in small businesses face every day.

Written in plain English, this new edition will take you through the principles of health and safety in a clear, jargon-free manner. Fully revised and packed with practical guidance, the Easy Guide to Health and Safety will ensure that you are well equipped to keep yourself and others safe in the workplace.

Provides small businesses with the necessary information to understand obligations and gain control of health and safety in the workplace

Packed with practical guidance and handy checklists and forms.

Also suitable for students studying towards IOSH Working Safely and NVQ level 1 and 2 courses from City and Guilds and other NVQ awarding bodies.
