Touch of Desire Ashwood Falls, book 4.5 As the wolf senior enforcer, Torin Fisher's job is to protect the pack and each of its members. That includes the beautiful submissive wolf, Cora Rivers. He's known for a while she belongs to him, but he decided to wait for her to come to him willingly. Since her brother's death, he watched her withdraw from the Pack little by little. Tired of sitting by watching her suffocate her wolf, he decides the time has come to claim her. A Leopard's Path Ashwood Falls, book 5 Kieran Michaels keeps a tight lid on his past, but the Onyx Alpha knows his darkest secrets. Kieran will stop at nothing to destroy the rogue before the past is revealed. Ana can never discover his hands are as bloodstained as their enemy's, because life without her is not an option. Jaguar's Judgment Ashwood Falls, book 6 Jared Nickels' only loyalty is to the Alphas of Ashwood Falls. When he sees Sable again after fifteen years, he can't stop himself from touching her. Through his Justice gift to see others' pasts, he learns she's not as guilty as he's assumed. She's actually one of the biggest victims in the war that her parents started. When the war shifts in favor of the enemy, Sable and Jared must band together to put an end to the threat. Or die trying.
