He spent 13 years completely engrossed in the evangelical Christian lifestyle, teaching, writing tracts, street witnessing to perfect strangers and inviting people to his house so he could share what he believed. He completely understands the Christian mindset on virtually every subject and knows the Bible better than the back of his hand! After being challenged on one particular subject in the New Testament, he embarked on a study to prove his challenger wrong...and could not. This led to a series of more studies and finally a realization. After much study, he soon became a defender of a new truth that was not new at all - that the Bible could not possibly be the word of God.
