

The Submission of Women and Slaves

Submission and Duality-- All of political Islam is based upon the principles of submission and duality. Islamic dualism has one set of rules for men and another for women. Islam demands that a woman must submit to a man in all things family, business, religion, work, war, sex, law, travel, relationships, and marriage. Submission is Islam. Historically, Islam has enslaved members of all races. It has a complete and detailed doctrine of slavery. A dualistic ethical system makes enslavement an act of good. For the first time, all of the Islamic doctrine of sexuality and slavery has been collected into one text.
