

Work with Passion in Midlife and Beyond: Reach Your Full Potential and Make the Money You Need

If you are looking for a way to make your final working years better than all that have come before, this book is for you. Bestselling author and innovative career and life consultant Nancy Anderson understands the uncertainty and anxiety that crop up in midlife. She knows firsthand that family pressures, cultural conditioning, and the need for money drive many people to stay in unsatisfying jobs and careers. Anderson demonstrates that it is never too late to rewrite your life story so that it aligns with values that bring fulfillment and money. She offers exercises to get you started as well as inspirational stories that will remind you just how good life can be when you pursue work you love.
