

Superhuman Social Skills: A Guide to Being Likeable, Winning Friends, and Building Your Social Circle

The people we surround ourselves with may impact our lives more than any other factor, and yet most people leave their social lives to chance. What would happen if you treated social skills as though they were indeed skills, and became proactive about your social life? Superhuman Social Skills is a transformative book which analyzes and explains how to be likeable, how to converse, how to tell stories, how to make friends, and how to combine those friends to create an incredible social circle. If you ever feel socially awkward, don't know what to say, or wish you had more or better friends, Superhuman Social Skills is for you.
