

Smokejumpers Werebear Boxset (Books 1-5): BBW Bear Shifters, PNR (Smokejumpers: Werebear Book 0)

Books 1-5 of Kim Fox's Smokejumper series. The hot, werebear, shifter series with over 100 five star reviews! Includes: Part 1: Ellis and Alexi Part 2: Beckett and Amanda Part 3: Finch and Jessica Part 4: Matteo and Lani Part 5: Keene and Chloe Full of comedy, action, suspense and lots of hot sex! 18+ While reading this book, I think I experienced every single emotion possible. I felt anger, hurt, sadness, betrayal, sorrow and despair but I also felt joy, happiness and satisfaction as well. I was either smiling, howling with laughter, shaking my fist with anger or blubbering like a big baby throughout the entire book

- Judy Lewis Gave the book 5 stars the character development and storytelling is outstanding! Kim Fox is a breath of fresh air, virtual unknown to me. I have to say this won't be the only book I will read. A talented new author she is everything a reader is looking for and so much more! Sky is the limit! - Nicole Vela Im officially addicted to Smokejumpers! Love comes fast and fierce with these vertebrates, who are devoted to the female race. Where can I find my own?? Cant wait for the next book in this series!!!! -Terry Pletcher
