

The Art of Tough: Fearlessly Facing Politics and Life

One goal of this memoir is to inspire people to fight for change. It takes what I call the Art of Tough and Ive had to do it all my life.---Senator Barbara Boxer Barbara Boxer has made her mark, combining compassionate advocacy with scrappiness in a political career spanning more than three decades. Now, retiring from the Senate, she continues the work to which shes dedicated 30 years in Congress. Her memoir, The Art of Tough, shares her provocative and touching recollections of service, and cements her commitment to the fight for women, families, quality, environmental protection, all in a peaceful world. Sometimes lauded, sometimes vilified, but always standing tough, Boxer has fought for what is right even when her personal convictions conflicted with her party or the majority rule.
