

My Peoples Passover Haggadah Vol 2: Traditional Texts, Modern Commentaries

My People's Passover Haggadah Traditional Texts, Modern Commentaries In two volumes, this empowering resource for the spiritual revival of our times enables us to find deeper meaning in one of Judaism's most beloved traditions, the Passover Seder. Rich Haggadah commentary adds layer upon layer of new insight to the age-old celebration of the journey from slavery to freedom—and makes its power accessible to all. This diverse and exciting Passover resource features the traditional Haggadah Hebrew text with a new translation designed to let you know exactly what the Haggadah says. Introductory essays help you understand the historical roots of Passover, the development of the Haggadah, and how to make sense out of texts and customs that evolved from ancient times. Framed with beautifully designed Talmud-style pages, My People's Passover Haggadah features commentaries by scholars from all denominations of Judaism. You are treated to insights by experts in such fields as the Haggadah's history; its biblical roots; its confrontation with modernity; and its relationship to rabbinic midrash and Jewish law, feminism, Chasidism, theology, and kabbalah. No other resource provides such a wide-ranging exploration of the Haggadah, a

reservoir of inspiration
and information for creating
meaningful Seders
every year. "The
Haggadah is a book not just of
the Jewish People, but of
ordinary Jewish people. It is a
book we all own,
handle, store at home, and spill
wine upon! Pick up
a Siddur, and you have the history
of our People writ large;
pick up a Haggadah, and you
have the same—but also the
chronicle of Jewish life writ
small: the story of families and
friends whose Seders have
become their very own local
cultural legacy.... My
People's Passover
Haggadah is for each
and every person looking to
enrich their annual experience of
Passover in their own
unique way."
