

## Letters From the Palazzo Barbaro (Pushkin Collection)

The novelist Henry James arrived in Venice as a tourist, and instantly fell in love with the city – particularly with the splendid Palazzo Barbaro, home of the expatriate American Curtis family. This selection of letters covers the period 1869-1907 and provides a unique record of the life and work of this great writer. Includes historical photographs and a foreword by Leon Edel, Henry James’s biographer. Pushkin Collection editions feature a spare, elegant series style and superior, durable components. The Collection is typeset in Monotype Baskerville, litho-printed on Munken Premium White Paper and notch-bound by the independently owned printer TJ International in Padstow. The covers, with French flaps, are printed on Colorplan Pristine White Paper. Both paper and cover board are acid-free and Forest Stewardship Council (FSC) certified.
