Melissa Foster is synonymous with sexy, swoony, heartfelt romance! New York Times Bestseller Lauren Blakely As the daughter of a world-renowned fashion designer, Addison Dahl enjoyed a privileged life attending the most sought after parties, traveling around the world, and having anything she wanted. Until she broke free and went against her father's wishes, needing to prove to herself--and to him--that she could make it on her own. Now she's ready to take her adventures in a new direction and sets her sights on roughing it in the wilderness. Jake Ryder followed in his father's footsteps as a top search and rescue professional. He spends his days saving those in need and his nights in the arms of willing women who offer nothing more than a few hours of sexual enjoyment. Just the way he likes it. When Jake's sister-in-law calls and reports her best friend missing, it's up to Jake to find her and bring her home. But Addison isn't lost, and she's sure as hell isn't going to be told what to do by an ornery mountain man with whom she'd spent one torrid night after her best friend's wedding. Jake has never left anyone behind--will
