

## The Library, a collection of short stories

The Library is a collection of eclectic short stories by bestselling author Mallory Kane. The stories range from very short--500 words, to around 2500 words. They are not intended to be novels or novellas. The stories include the following: The Bluebird of Happiness--is blue the color of happiness? The Library--a young woman who stutters severely lives her life vicariously through the old books in the library. Dr. Heartless--The doctor has a heart as cold as a stone--or does he? Reunion--Tommy and Jo were always kissin cousins--their mothers were best friends. Now Jo is divorced and Tommy is a widower with a teenaged daughter. And Jos old school-days crush on Tommy is re-emerging. A Taste for Humanity--Mina can never stay anywhere for long. She hides a terrible secret. Now shes involved with a human. He has nothing she needs, but he does have one thing she desperately desires. I hope you enjoy this collection of some of my favorite stories.
