

# Luminous Clarity: A Commentary on Karma Chagmes Union of Mahamudra and Dzogchen

An accessible commentary by a popular and respected Tibetan Buddhist master opens the door for Westerners to Karma Chagmes classic text that integrates two of the great meditation systems of Tibet: Mahamudra and Dzogchen. This book grows out of an oral teaching that Khenchen Thrangu gave in Crestone, Colorado, on Karma Chagmes text Meaningful to Behold: The Essential Instructions of the Compassionate One on the Union of Mahamudra and Dzogchen. Thrangu Rinpoche explains in lucid detail the advanced meditation practices of Mahamudra and Dzogchen and also their similarities and differences, including advice on how to safely perform some of the more advanced Dzogchen practices. Many chapters include his answers to questions from the audience, which give the book an intimate feeling.
