

# The fundamental question all theists must answer

In debates about religion, theists will sometimes bring up the argument that atheists presuppose atheism, and hence can never be persuaded out of it. In fact, this is not true at all. In this argument, I actually presuppose the existence of God, and by very basic arguments end up being let to an Einsteinian God is the universe deism. Theism which is based in a specific sect or book is unsupportable, even if the existence of God were conceded for sake of argument.
