

Plan and Finance Your Family's College Dreams: A Parents Step-By-Step Guide from Pre-K to Senior Year

Planning and paying for a college education is a daunting task for most parents. It is a stressful and costly process that needs a well-thought-out academic and financial strategy. This guide offers just that! Two of the nation's leading college planning and financing experts provide clear step-by-step guidance on how to successfully save, plan for, apply to, and finance a college education. Age- and grade-appropriate guidance empowers families with children of all ages, with detailed information on preparing, financing, and successfully applying to college. Financing a college education requires a good look at all available options: savings, free money, financial aid, and loans. Finding the right savings vehicle and investments is important. Learn the pros and cons of various savings and investment options, including Bank accounts, 529 Plans, Coverdell Education Savings Accounts, and more-so you can begin to develop your plan. Easy-to-understand explanations help parents better understand college loans, including details about federal and private loans, consolidation and refinancing of loans, as well as a discussion on what it means to co-sign a loan. Based on the expert advice presented in this book, parents will be able to create a personalized college admission and financing plan that is unique to their family.
