

Waves Steps Ride: A Stepbrother Romance (Steps too Close Book 3)

Under the intense Caribbean sun, their game is about to become scorching hot! This is the third standalone short story in the Steps too Close series. When Lindsey's mom marries Derrick's dad, the parents take their new family on a Caribbean cruise to celebrate. Lindsey's not exactly overjoyed at the thought of spending a full week trapped on a boat with a stepbrother she never wanted, even if he is totally buff and sexy as hell. So she concocts a plan to break up her mom's marriage by seducing him. But Lindsey's naughty teasing takes an unexpected turn when she starts to have feelings for Derrick, and her stepbrother soon demonstrates that he's much better at the game of seduction than she is. Under the intense Caribbean sun, things heat up between Lindsey and Derrick. Knowing that their parents are married won't stop their taboo attractions from taking them closer to the point of no return. The question is: When Derrick realizes just how inexperienced Lindsey really is, will he pull back or will he show her how to ride the waves of passion?
