The worldwide phenomenon continuesâ€”from the boldly original author of Captive Prince and Princeâ€™s Gambit. Damianos of Akielos has returned. His identity now revealed, Damen must face his master Prince Laurent as Damianos of Akielos, the man Laurent has sworn to kill. On the brink of a momentous battle, the future of both their countries hangs in the balance. In the south, Kastors forces are massing. In the north, the Regents armies are mobilising for war. Damens only hope of reclaiming his throne is to fight together with Laurent against their usurpers. Forced into an uneasy alliance the two princes journey deep into Akielos, where they face their most dangerous opposition yet. But even if the fragile trust they have built survives the revelation of Damens identityâ€”can it stand against the Regents final, deadly play for the throne?
