

Conspiracy in Mecca: What You Need to Know About the Islamic Threat

President Bush is very much mistaken when he says Islam is Peace. Fourteen Hundred Years of Islamic history shows that they have followed in the footsteps of their founder Mohammed who was a robber of desert caravans between Mecca and Damascus. Islam has brought violence and death to sixty-three nations and forced 1.2 Billion people into a life of slavery and misery. They have murdered more than five million Christians in living memory and the carnage continues wherever Muslims can gain control. Conspiracy in Mecca tells the truth about Islam, including their plans to take over the United States by cutting off our oil supply, causing people to live in terror, and bringing race riots to our cities.
