

The Cowboys Autumn Fall: Grass Valley Cowboys

Brice Morgan thought love at first sight was some ridiculous notion of school girls and old ladies who read too many romance novels. At least he does until he meets Bailey Bishop at a friend's wedding and falls hard and fast for the intriguing woman. Bailey Bishop attends her cousin's wedding with no intention of extending her brief visit to Oregon. Married to her career as a paleontologist, Bailey tries to ignore her intense attraction to her cousin's best friend, Brice. Ready to return home to Denver, Bailey instead accepts the opportunity to explore a new dig site not far from the family's ranch in Grass Valley. Can she keep her feelings for Brice from derailing her plans for the future? As the autumn season arrives, love falls on willing hearts at the Triple T Ranch.
