

Crossing The Bridge Over The Fire

He said, "The Messenger of Allah (sallallahu alayhi wasallam) said: "Allah will gather the first and the last (of the creation) for the appointed meeting for the known Day" standing for forty years, waiting for the matter to be decided between them. Allaah will descend in the shadows of the clouds, from the Throne to the Footstool. "And a caller will call out, "O mankind, would it please you that your Lord, the One who created you, provided for you, and commanded you to worship none but Him and to not associate any partners with Him, should judge that each of you should follow that which he used to follow in the world, and that which he used to worship in the world? Is this not a just ruling from your Lord?" They will respond, "Certainly." "Thus it shall commence; they shall proceed forth and every nation will follow what they used to worship. And the likenesses of their gods they used to worship in the world will appear. Those who used to worship the sun shall proceed forth, as will those who worshiped the moon, those who worshiped idols of stone and the like; and the devil of Jesus (his companion from the Jinn) will be given the likeness of Jesus for those who worshiped him, and for those who worshiped Uzayr, the devil of Uzayr (his companion from the Jinn) will be given his likeness; and

shall remain
 Muhammad (sallallahu
 alayhi wasallam) and his nation. The Lord of all that exists
 will come to them and say to them, Why do you not
 proceed as the people have proceeded? They will
 respond, We have a deity whom we have yet to
 see. Thus He will say to them, If He comes to you will
 you recognize Him? They will respond,
 Between Him and us is a sign; if we see it we will
 recognize Him. He will say, And what is the
 sign? They will respond, He will reveal His Shin.
 Therefore the Most Merciful will reveal His Shin and they
 will recognize Him, so all of them who see it will fall prostrate.
 All those who used to prostrate within the dunya out
 of hypocrisy and to show off will desire to prostrate, but their
 backs will be like the horns of cows. Every time they want to
 prostrate, they will fall down upon their forelocks. They
 used to be called to prostrate (offer prayers), while they
 were healthy and good (in the life of the world, but they did
 not). [Soorah al-Qalam 68:43] Then Allah will say to them, Raise
 your heads. So they will raise their heads. Allah, the
 Glorified and Exalted, will give each of them lights
 according to their actions. Some of them will be given
 light the like of a great mountain which will proceed in front of
 them, while some of them will be given a light less than
 that. Some of them will be given a light like a date tree

on his right, while some of them will be given a light less than that. Such that the last of them will be a man given a light in his big toe; it will illuminate at times and become dim at times. When it dims he will remain still, and when it illuminates he will stand to proceed. The Lord of all that exists will be in front of them, thus they will pass over the fire and the bridge will be slippery and sharper than a sword. They will pass over the bridge according to their light. Some will pass like the blinking of an eye, while some will pass like lightning; some will pass like the clouds, some will pass like the falling star, while some will pass like the wind; some will pass like the racehorse, while some will pass like the fast traveler; until the last of them will be the man who was given light in his big toe.
