

Jesus Healer Of Our Inner World

A psychotherapist who believes that Jesus speaks to who we are as psychological beings, Walters explores our inner struggles and offers insight, examines toxic guilt and shame, our Inner Children, and the inner forces that lead us to do the things we do not want, and not do that which we choose. He explains these widespread psychological dynamics and shows how Jesus powerfully addressed them in the way he lived and in what he taught. Jack Walters, S.J., a practicing psychotherapist for 25 years, is co-director of the IAM Counseling and Retreat Center in New Albany, Pennsylvania. He is a fellow in the American Association of Pastoral Counselors, and the author of *Healing the Fractured Self*.
