

Road Trip with my Dads Best Friend (Fertile Older Man Younger Woman Pregnancy Romance)

When Simon, her dad's best friend, offers to take Heather on a road trip before she heads off to college, she accepts right away. Ever since her father passed away, Simon has tried his best to look out for her, watching her grow up into a fine young woman. Her thoughts however, are anything but platonic. Heather knows that the mature and protective Simon is everything she could ask for in a man, wrong as it may be. Simon's done his best to take care of Heather, and it weighs heavily on his mind that his base urges are harder and harder to contain. He knows that he shouldn't be the one to take away her innocence, but what happens when they are put into a situation where the only rest they can find is in each other's arms?
