

The Score (Off-Campus) (Volume 3)

He knows how to score, on and off the ice Allie Hayes is in crisis mode. With graduation looming, she still doesn't have the first clue about what she's going to do after college. To make matters worse, she's nursing a broken heart thanks to the end of her longtime relationship. Wild rebound sex is definitely not the solution to her problems, but gorgeous hockey star Dean Di Laurentis is impossible to resist. Just once, though, because even if her future is uncertain, it's sure as heck won't include the king of one-night stands. It'll take more than flashy moves to win her over Dean always gets what he wants. Girls, grades, girls, recognition, girls...he's a ladies man, all right, and he's yet to meet a woman who's immune to his charms. Until Allie. For one night, the feisty blonde rocked his entire world--and now she wants to be friends? Nope. It's not over until he says it's over. Dean is in full-on pursuit, but when life-rocking changes strike, he starts to wonder if maybe it's time to stop focusing on scoring...and shoot for love.
